Principal's Message

We are approaching Remembrance Day. At KSM our assembly has traditionally been a very respectful and dignified commemoration of the women and men who represent Canada in peacekeeping missions around the world. This year we will again have veterans from the Army, Navy and Airforce association acting as a colourguard for us. Parents are welcome to attend.

We finished our cross-country season with the district meet at Trout Lake on Oct. 20th. The weather was good, which was unusual. Our students represented KSM very well with their effort and behaviour, which is not unusual. Thanks to Mrs. Jackson and Mr. Soong, to our students and to parents who supported us. We are now into volleyball season with an excited group of senior boys and a senior girls starting play this week.

This year our winter concert will be during school hours. Our strings groups and other classes will perform. As more details become available they will be included in the newsletter. Please remember our PAC meeting on Monday at 7:00. This week Teri and Holly from our CST team will talk about the afterschool programs they are running and listen to your suggestions.
